Statement from Governor Brown's Senior Advisor for Jobs and Business Development Mike Rossi

Campbell's Soup Announcement

"Earlier this year, Campbell's purchased a facility in Bakersfield that now employs 1,600 Californians. While the closure of their Sacramento plant is unfortunate, Campbell's has made it clear that this decision is due to the high costs of operating an antiquated facility," said Governor Brown's Senior Advisor for Jobs and Business Development, Mike Rossi. "Our office will work with the company to minimize job losses and help workers find new jobs."
